Bioenergy Graduate Online Studies Scholarship Application
– for Spring Semester 2016: Returning Applicants –

http://www.newbio.psu.edu/education/DistanceEd.asp

This application is for students who have previously applied for a NEWBio scholarship and are wishing to receive a scholarship during Spring Semester 2016.

Deadline for RECEIPT of all Application Materials: 30 Oct, 2015

Name: ________________________
Mailing Address: ____________________________________________
___________________________________________________________________________
Phone: ________________________
Email: ________________________

Please indicate which course you would like to take:
__ FOR 880 – Bioenergy Feedstocks (3cr, Spring 2016)

1. Academic Background and References: These materials are on file from your previous application. If you have updates to provide, please attach them to this application, and give details below.

__ No updates needed
__ The following updated information is attached; ____________________________________
___________________________________________________________________________
___________________________________________________________________________

2. Prerequisites: Students enrolling in ABE 888 are required to have completed ABE 884 – Bioenergy Systems, or receive permission from the instructor for having achieved equivalent competency elsewhere. If you are applying to take ABE 884, skip this section. Otherwise, check the appropriate box below.

__ I have successfully completed or am currently enrolled in ABE 884 – Bioenergy Systems
__ I have gained competency equivalent to that of ABE 884 (please give details).
___________________________________________________________________________
___________________________________________________________________________
__ I have not met the prerequisites for this course
3. **Statement of Purpose.** Please attach a short (<1 page typed) essay that explains your interest in applying for this particular scholarship, and how you intend to utilize the knowledge and skills that you will gain.

(Please attach a separate typed page).

4. **Agreement and Signature.** By submitting this application, I affirm that the facts set forth in it are true and complete. I understand that if I am offered a scholarship, any false statements, omissions, or other misrepresentations made by me on this application may result in my immediate dismissal.

   Name (printed): ________________________________
   Signature: ________________________________
   Date: ________________________________
